THE LESSEE COVENANTS AND AGREES WITH THE LESSOR AS FOLLOWS:

1. Payment of rent. The Lessee shall pay the rent to the Lessor at the times, in the manner and form provided in this lease and at the place specified above, or at any other place the Lessor may from time to time designate, in legal tender of the United States of America.

2. Taxes, assessments, etc. The Lessee shall pay or cause to be paid, when due, the amount of all taxes, rates, and assessments of every description as to which the premises or any part, or any improvements, or the Lessor or Lessee, are now or may be assessed or become liable by authority of law during the term of this lease; provided, however, that with respect to any assessment made under any betterment or improvement law which may be payable in installments, Lessee shall be required to pay only those installments, together with interest, which becomes due and payable during the term of this lease.

3. Utility services. The Lessee shall be responsible for obtaining any utility services and shall pay when due all charges, duties and rates of every description, including water, sewer, gas, refuse collection or any other charges, as to which the premises or any part, or any improvements, or the Lessor or Lessee may become liable for during the term, whether assessed to or payable by the Lessor or Lessee.

4. Covenant against discrimination. The use and enjoyment of the premises shall not be in support of any policy which discriminates against anyone based upon race, creed, sex, color, national origin, religion, marital status, familial status, ancestry, physical handicap, disability, age or HIV (human immunodeficiency virus) infection.

5. Sanitation. The Lessee shall keep the premises and improvements in a strictly clean, sanitary and orderly condition.

6. Waste and unlawful, improper or offensive use of premises. The Lessee shall not commit, suffer or permit to be committed any waste, nuisance, strip or unlawful, improper or offensive use of the premises or any part, nor, without the prior written consent of the Lessor, cut down, remove or destroy, or suffer to be cut down, removed or destroyed, any trees now growing on the premises.

7. Compliance with laws. The Lessee shall comply with all of the requirements of all municipal, state, and federal authorities and observe all municipal, state and federal laws applicable to the premises, now in force or which may be in force.

8. Inspection of premises. The Lessee shall permit the Lessor and its agents, at all reasonable times during the lease term, to enter the premises and examine the state of its repair and condition.

9. Improvements. The Lessee shall not at any time during the term construct, place, maintain or install on the premises any building, structure or improvement of any kind and description except with the prior written approval of the Chairperson and upon those conditions the Chairperson may impose, including any adjustment of rent, unless otherwise provided in this lease. The Lessee shall own these improvements until the expiration or other termination of the lease, at which time the ownership shall, at the option of the Lessor, remain and become the property of the Lessor or shall be removed by Lessee at Lessee's sole cost and expense.

10. Repairs to improvements. The Lessee shall, at its own expense, keep, repair, and maintain all buildings and improvements now existing or hereafter constructed or installed on the premises in good order, condition and repair, reasonable wear and tear excepted.

11. Liens. The Lessee shall not commit or suffer any act or neglect which results in the premises, any improvement, or the leasehold estate of the Lessee becoming subject to any attachment, lien, charge, or encumbrance, except as provided in this lease, and shall indemnify, defend, and hold the Lessor harmless from and against all attachments, liens, charges, and encumbrances and all resulting expenses.

12. Character of use. The Lessee shall use or allow the premises leased to be used solely for private non-commercial pier purposes.

13. Assignments, etc. The Lessee shall not transfer, assign, or permit any other person to occupy or use the premises or any portion or transfer or assign this lease or any interest, either voluntarily or by operation of law; provided, however, that in the event that the benefit property, as described in section 50 herein, is conveyed or otherwise transferred, this lease may be assigned in connection therewith to the conveyee or

transferee of the benefit property; and, provided further, that any such assignment of this lease in connection with the conveyance or other transfer of the benefit property is hereby approved in advance by the Board and no further approvals shall be required pursuant to Hawaii Revised Statutes section 171-36, as amended from time to time. Any other assignments of this lease shall be null and void.

14. Subletting. The Lessee shall not rent or sublet the whole or any portion of the premises, without the prior written approval of the Board; provided, however, that prior to this approval, the Board shall have the right to review and approve the rent to be charged to the proposed sublessee and that in the case where the Lessee is required to pay rent based on a percentage of its gross receipts, the receipts of the sublessee or any subsequent sublessees shall be included as part of the Lessee's gross receipts, and the Board shall have the right to revise the rent for the premises based upon the rental rate charged to the sublessee including the percentage rent, if applicable, and provided, further, that the rent may not be revised downward. For good cause, the Board may waive the requirement that the Lessee obtain prior written approval to rent or sublet all or any portion of the premises.

15. Indemnity. The Lessee shall indemnify, defend, and hold the Lessor harmless from and against any claim or demand for loss, liability, or damage, including claims for bodily injury, wrongful death, or property damage, arising out of or resulting from: 1) any act or omission on the part of Lessee relating to Lessee's use, occupancy, maintenance, or enjoyment of the premises; 2) any failure on the part of the Lessee to maintain the premises and areas adjacent thereto in Lessee's use and control, and including any accident, fire or nuisance, growing out of or caused by any failure on the part of the Lessee to maintain the premises in a safe condition; and 3) from and against all actions, suits, damages, and claims by whomsoever brought or made by reason of the Lessee's non-observance or non-performance of any of the terms, covenants, and conditions of this lease or the rules, regulations, ordinances, and laws of the federal, state, municipal or county governments.

16. Costs of litigation. In case the Lessor shall, without any fault on Lessor's part, be made a party to any litigation commenced by or against the Lessee (other than condemnation proceedings), the Lessee shall pay all costs, including reasonable attorney's fees, and expenses incurred by or imposed on the Lessor; furthermore, the Lessee shall pay all costs, including reasonable attorney's fees, and expenses which

may be incurred by or paid by the Lessor in enforcing the covenants and agreements of this lease, in recovering possession of the premises, or in the collection of delinquent rental, taxes, and any and all other charges.

17. Liability insurance. The Lessee shall procure and maintain, at its cost and expense and acceptable to the Lessor, in full force and effect throughout the term of this lease, commercial general liability insurance, or its equivalent, in an amount of at least \$300,000.00 for each occurrence and \$500,000.00 aggregate, with an insurance company or companies licensed to do business in the State of Hawaii. The policy or policies of insurance shall name the State of Hawaii as an additional insured. The insurance shall cover the entire premises, including all buildings, improvements, and grounds and all roadways or sidewalks on or adjacent to the premises in the use or control of the Lessee.

The Lessee, prior to entry and use of the premises or within fifteen (15) days from the effective date of this lease, whichever is sooner, shall furnish the Lessor with a certificate(s) showing the policy(s) to be initially in force, keep the certificate(s) on deposit during the entire lease term, and furnish a like certificate(s) upon each renewal of the policy(s). This insurance shall not be cancelled, limited in scope of coverage, or nonrenewed until after thirty (30) days written notice has been given to the Lessor.

The Lessor shall retain the right at any time to review the coverage, form, and amount of the insurance required by this lease. If, in the opinion of the Lessor, the insurance provisions in this lease do not provide adequate protection for the Lessor, the Lessor may require Lessee to obtain insurance sufficient in coverage, form, and amount to provide adequate protection. The Lessor's requirements shall be reasonable but shall be designed to assure protection for and against the kind and extent of the risks which exist at the time a change in insurance is required. The Lessor shall notify Lessee in writing of changes in the insurance requirements and Lessee shall deposit copies of acceptable insurance policy(s) or certificate(s) thereof, with the Lessor incorporating the changes within thirty (30) days of receipt of the notice.

The procuring of the required policy(s) of insurance shall not be construed to limit Lessee's liability under this lease nor to release or relieve the Lessee of the indemnification provisions and requirements of this lease. Notwithstanding the policy(s) of insurance, Lessee shall be obligated for the full

and total amount of any damage, injury, or loss caused by Lessee's negligence or neglect connected with this lease.

It is agreed that any insurance maintained by the Lessor will apply in excess of, and not contribute with, insurance provided by Lessee's policy.

18. Bond, performance. No performance bond shall be required if the Lessee has paid a one-time consideration for this easement. In the event that the Lessee pays annual lease rent, the Lessee shall, at its own cost and expense, within fifteen (15) days from the effective date of this lease, procure and deposit with the Lessor and thereafter keep in full force and effect during the term of this lease a good and sufficient surety bond, conditioned upon the full and faithful observance and performance by Lessee of all the terms, conditions, and covenants of this lease, in an amount equal to two times the annual rental then payable. This bond shall provide that in case of a breach or default of any of the lease terms, covenants, conditions, and agreements, the full amount of the bond shall be paid to the Lessor as liquidated and ascertained damages and not as a penalty.

19. Lessor's lien. The Lessor shall have a lien on all the buildings and improvements placed on the premises by the Lessee, on all property kept or used on the premises, whether the same is exempt from execution or not and on the rents of all improvements and buildings located on the premises for all Lessor's costs, attorney's fees, rent reserved, for all taxes and assessments paid by the Lessor on behalf of the Lessee, and for the payment of all money provided in this lease to be paid by the Lessee, and this lien shall continue until the amounts due are paid.

20. Mortgage. Except as provided in this lease, the Lessee shall not mortgage, hypothecate, or pledge the premises, any portion, or any interest in this lease without the prior written approval of the Chairperson and any mortgage, hypothecation, or pledge without the approval shall be null and void.

Upon due application and with the written consent of the Chairperson, the Lessee may mortgage this lease, or any interest, or create a security interest in the leasehold of the public land. If the mortgage or security interest is to a recognized lending institution in either the State of Hawaii or elsewhere in the United States, the consent may extend to foreclosure and sale of Lessee's interest at the foreclosure to

any purchaser, including the mortgagee, without regard to whether or not the purchaser is qualified to lease, own, or otherwise acquire and hold the premises or any interest. The interest of the mortgagee or holder shall be freely assignable. The term "holder" shall include an insurer or guarantor of the obligation or condition of the mortgage, including the Department of Housing and Urban Development through the Federal Housing Administration, the Federal National Mortgage Association, the Veterans Administration, the Small Business Administration, Farmers Home Administration, or any other Federal agency and their respective successors and assigns or any lending institution authorized to do business in the State of Hawaii or elsewhere in the United States; provided, that the consent to mortgage to a non-governmental holder shall not confer any greater rights or powers in the holder than those which would be required by any of these Federal agencies.

21. Breach. Time is of the essence in this agreement. If the Lessee shall fail to pay the rent, or any part thereof, at the times and in the manner provided in this lease and this failure shall continue for a period of more than thirty (30) days after delivery by the Lessor of a written notice of breach or default and demand for cure, by personal service, registered mail or certified mail to the Lessee and to each holder of record having a security interest in the premises, or if the Lessee shall become bankrupt, or shall abandon the premises, or if this lease and premises shall be attached or taken by operation of law, or if any assignment is made of the Lessee's property for the benefit of creditors, or if Lessee shall fail to observe and perform any of the covenants, terms, and conditions contained in this lease and on its part to be observed and performed, and this failure shall continue for a period of more than sixty (60) days after delivery by the Lessor of a written notice of breach or default and demand for cure, by personal service, registered mail or certified mail to the Lessee at its last known address and to each holder of record having a security interest in the premises, the Lessor may, subject to the provisions of Section 171-21, Hawaii Revised Statutes, at once re-enter the premises, or any part, and upon or without the entry, at its option, terminate this lease without prejudice to any other remedy or right of action for arrears of rent or for any preceding or other breach of contract; and in the event of termination, at the option of the Lessor, all buildings and improvements shall remain and become the property of the Lessor or shall be removed by Lessee; furthermore, Lessor shall retain all rent paid in advance to be applied to any damages.

22. Right of holder of record of a security interest.

In the event the Lessor seeks to forfeit the privilege, interest, or estate created by this lease, each recorded holder of a security interest may, at its option, cure or remedy the default or breach of rent payment within thirty (30) days or any other default or breach within sixty (60) days, from the date of receipt of the Lessor's notice, or within an additional period allowed by Lessor for good cause, and add the cost to the mortgage debt and the lien of the mortgage. Upon failure of the holder to exercise its option, the Lessor may: (a) pay to the holder from any moneys at its disposal, including the special land and development fund, the amount of the mortgage debt, together with interest and penalties, and secure an assignment of the debt and mortgage from the holder or if ownership of the privilege, interest, or estate shall have vested in the holder by way of foreclosure, or action in lieu thereof, the Lessor shall be entitled to the conveyance of the privilege, interest, or estate upon payment to the holder of the amount of the mortgage debt, including interest and penalties, and all reasonable expenses incurred by the holder in connection with the foreclosure and preservation of its security interest, less appropriate credits, including income received from the privilege, interest, or estate subsequent to the foreclosure; or (b) if the property cannot be reasonably reassigned without loss to the State, then terminate the outstanding privilege, interest, or estate without prejudice to any other right or remedy for arrears of rent or for any preceding or other breach or default and use its best efforts to redispense of the affected premises to a qualified and responsible person free and clear of the mortgage and the debt secured; provided that a reasonable delay by the Lessor in instituting or prosecuting its rights or remedies shall not operate as a waiver of these rights or to deprive it of a remedy when it may still otherwise hope to resolve the problems created by the breach or default. The proceeds of any disposition shall be applied, first, to reimburse the Lessor for costs and expenses in connection with the disposition; second, to discharge in full any unpaid purchase price or other indebtedness owing the Lessor in connection with the privilege, interest, or estate terminated; third, to the mortgagee to the extent of the value received by the State upon disposition which exceeds the fair market lease value of the premises as previously determined by the State's appraiser; and fourth, to the owner of the privilege, interest, or estate.

23. Condemnation. If at any time, during the term of this lease, any portion of the premises should be condemned, or required for public purposes by any duly authorized governmental entity, the rental shall be reduced in proportion to the value of the portion of the premises condemned. The Lessee shall be

entitled to receive from the condemning authority (a) the value of growing crops, if any, which Lessee is not permitted to harvest and (b) the proportionate value of the Lessee's permanent improvements so taken in the proportion that it bears to the unexpired term of the lease; provided, that the Lessee may, in the alternative, remove and relocate its improvements to the remainder of the premises occupied by the Lessee. The Lessee shall not by reason of the condemnation be entitled to any claim against the Lessor for condemnation or indemnity for leasehold interest and all compensation payable or to be paid for or on account of the leasehold interest by reason of the condemnation shall be payable to and be the sole property of the Lessor. The foregoing rights of the Lessee shall not be exclusive of any other to which Lessee may be entitled by law. Where the portion taken renders the remainder unsuitable for the use or uses for which the premises were leased, the Lessee shall have the option to surrender this lease and be discharged and relieved from any further liability; provided, that Lessee may remove the permanent improvements constructed, erected and placed by it within any reasonable period allowed by the Lessor.

24. Right to enter. The Lessor or the federal government and their agents or representatives, shall have the right to enter and cross any portion of the premises for the purpose of performing any public or official duties; provided, however, in the exercise of these rights, the Lessor or the federal government shall not interfere unreasonably with the Lessee or Lessee's use and enjoyment of the premises.

25. Acceptance of rent not a waiver. The acceptance of rent by the Lessor shall not be deemed a waiver of any breach by the Lessee of any term, covenant, or condition of this lease, nor of the Lessor's right of re-entry for breach of covenant, nor of the Lessor's right to declare and enforce a forfeiture for any breach, and the failure of the Lessor to insist upon strict performance of any term, covenant, or condition, or to exercise any option conferred, in any one or more instances, shall not be construed as a waiver or relinquishment of any term, covenant, condition, or option.

26. Extension of time. Notwithstanding any provision contained in this lease, when applicable, the Board may for good cause shown, allow additional time beyond the time or times specified in this lease for the Lessee to comply, observe, and perform any of the lease terms, conditions, and covenants.

27. Justification of sureties. Any bonds required by this lease shall be supported by the obligation of a corporate

surety organized for the purpose of being a surety and qualified to do business in the State of Hawaii, or by not less than two personal sureties, corporate or individual, for which justifications shall be filed as provided in Section 78-20, Hawaii Revised Statutes; provided, however, the Lessee may furnish a bond in like amount, conditioned as aforesaid, executed by it alone as obligor, if, in lieu of any surety or sureties, it shall also furnish and at all times thereafter keep and maintain on deposit with the Lessor security in certified checks, certificates of deposit (payable on demand or after a period the Lessor may stipulate), bonds, stocks or other negotiable securities properly endorsed, or execute and deliver to the Lessor a deed or deeds of trust of real property, all of a character which is satisfactory to Lessor and valued in the aggregate at not less than the principal amount of the bond. It is agreed that the value of any securities which may be accepted and at any time thereafter held by the Lessor shall be determined by the Lessor, and that the Lessee may, with the approval of the Lessor, exchange other securities or money for any of the deposited securities if in the judgment of the Lessor the substitute securities or money shall be at least equal in value to those withdrawn. It is further agreed that substitution of sureties or the substitution of a deposit of security for the obligation of a surety or sureties may be made by the Lessee, but only upon the written consent of the Lessor and that until this consent is granted, which shall be discretionary with the Lessor, no surety shall be released or relieved from any obligation.

28. Waiver, modification, reimposition of bond and liability insurance provisions. Upon substantial compliance by the Lessee with the terms, covenants, and conditions contained in this lease on its part to be observed or performed, the Lessor, at its discretion, may in writing, waive or suspend the performance bond or improvement bond requirements or both or may, in writing, modify the particular bond(s) or liability insurance requirements by reducing its amount; provided, however, that the Lessor reserves the right to reactivate the bonds or reimpose the bond(s) or liability insurance in and to their original tenor and form at any time throughout the term of this lease.

29. Quiet enjoyment. The Lessor covenants and agrees with the Lessee that upon payment of the rent at the times and in the manner provided and the observance and performance of these covenants, terms, and conditions on the part of the Lessee to be observed and performed, the Lessee shall and may have, hold, possess, and enjoy the premises for the term of the lease, without hindrance or interruption by the Lessor or any other person or persons lawfully claiming by, through, or under it.

30. Surrender. The Lessee shall, at the end of the term or other sooner termination of this lease, peaceably deliver unto the Lessor possession of the premises, together with all improvements existing or constructing thereon or, at the option of the Lessor, Lessee shall remove such improvements and shall restore the premises to its original state, or as close thereto as possible, within a reasonable time and at the expense of the Lessee. If the Lessee does not remove the improvements or restore the premises to the satisfaction of the Lessor, the Lessor may effect such action, including but not limited to, recording a lien on the Lessee's abutting property and the Lessee agrees to pay all costs and expenses for such action. Furthermore, upon the expiration, termination, or revocation of this lease, should the Lessee fail to remove any and all of Lessee's personal property from the premises, after notice thereof, the Lessor may remove any and all of Lessee's personal property from the premises, and either deem the property abandoned and dispose of the property or place the property in storage at the cost and expense of Lessee, and the Lessee does agree to pay all costs and expenses for disposal, removal, or storage of the personal property. This provision shall survive the termination of the lease.

31. Non-warranty. The Lessor does not warrant the conditions of the premises, as the same are being leased as is.

Lessor does hereby lease, transfer, set over and deliver unto the Lessee, as is, where is, with all faults, without any warranty or representation regarding the quality or condition of the premises leased hereunder or its fitness for any particular use except as expressly set forth herein, all of the leasehold estate and interest created by this lease.

32. Hazardous materials. Lessee shall not cause or permit the escape, disposal or release of any hazardous materials except as permitted by law. Lessee shall not allow the storage or use of such materials in any manner not sanctioned by law or by the highest standards prevailing in the industry for the storage and use of such materials, nor allow to be brought onto the premises any such materials except to use in the ordinary course of Lessee's business, and then only after written notice is given to Lessor of the identity of such materials and upon Lessor's consent which consent may be withheld at Lessor's sole and absolute discretion. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any release of hazardous materials by Lessee, then the Lessee shall be responsible for the reasonable costs thereof. In

addition, Lessee shall execute affidavits, representations and the like from time to time at Lessor's request concerning Lessee's best knowledge and belief regarding the presence of hazardous materials on the premises placed or released by Lessee.

Lessee agrees to indemnify, defend, and hold Lessor harmless, from any damages and claims resulting from the release of hazardous materials on the premises occurring while Lessee is in possession, or elsewhere if caused by Lessee or persons acting under Lessee. These covenants shall survive the expiration or earlier termination of the lease.

For the purpose of this lease "hazardous material" shall mean any pollutant, toxic substance, hazardous waste, hazardous material, hazardous substance, or oil as defined in or pursuant to the Resource Conservation and Recovery Act, as amended, the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, the Federal Clean Water Act, or any other federal, state, or local environmental law, regulation, ordinance, rule, or by-law, whether existing as of the date hereof, previously enforced, or subsequently enacted.

33. Hawaii law. This lease shall be construed, interpreted, and governed by the laws of the State of Hawaii.

34. Exhibits - Incorporation in lease. All exhibits referred to are attached to this lease and hereby are deemed incorporated by reference.

35. Headings. The article and paragraph headings herein are inserted only for convenience and reference and shall in no way define, describe or limit the scope or intent of any provision of this lease.

36. Partial invalidity. If any term, provision, covenant or condition of this lease should be held to be invalid, void or unenforceable, the remainder of this lease shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

37. Time is of the essence. Time is of the essence in all provisions of this lease.

38. Historic preservation. In the event any historic properties or burial sites, as defined in section 6E-2, Hawaii Revised Statutes, are found on the premises, the Lessee and the Lessee's agents, employees and representatives shall immediately stop all premises utilization or work or both and contact the

Historic Preservation Office in compliance with Chapter 6E, Hawaii Revised Statutes.

#### SPECIAL CONDITIONS

39. Withdrawal. The Lessor shall have the right to withdraw the premises, or any portion, at any time during the term of this lease upon giving reasonable notice and without compensation, except as otherwise provided in the lease, for public uses or purposes, including private, commercial, industrial, or resort developments, for constructing new roads or extensions, or changes in line or grade of existing roads, for rights of way and easements of all kinds, and shall be subject to the right of the Board to remove soil, rock or gravel as may be necessary for the construction of roads and rights of way within or without the premises; provided, that upon the withdrawal, or upon the taking which causes any portion of the premises originally leased to become unusable for the specific use or uses for which it was leased, the rent shall be reduced in proportion to the value of the premises withdrawn or made unusable, and if any permanent improvement constructed upon the premises by the Lessee is destroyed or made unusable in the process of the withdrawal or taking, the proportionate value shall be paid based upon the unexpired term of the lease.

40. Clearances. The Lessee shall be responsible for obtaining all necessary federal, state or county clearances.

41. Commercial operations. The Lessee, its employees, customers, guests, agents or invitees shall not display or offer for sale or sell any article(s) or merchandise whatsoever within the premises without the prior written approval of the Lessor and upon such terms and conditions established by the Lessor. Except as otherwise provided in this lease, no commercial activities whatsoever shall be allowed within the premises without the prior written approval of the Lessor.

42. Environmental regulations. Lessee shall comply with all applicable federal, state and county environmental impact regulations, including but not limited to Chapter 343, Hawaii Revised Statutes, as amended, and regulations governing historic preservation.

43. Phase one (1) hazardous waste evaluation. Prior to the termination of this lease of the leasehold, Lessee shall conduct a Phase One (1) Hazardous Waste Evaluation and conduct a complete abatement and disposal, if necessary, satisfactory to the standards required by the Federal Environmental Protection

Agency and the Department of Land and Natural Resources.
